

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

LETTER OF TRANSMITTAL

STATE OF NORTH DAKOTA,
TREASURER'S OFFICE,

BISMARCK, NOVEMBER 20, 1908.

Hon. John Burke, Governor, Bismarck, N. D.:

SIR: In accordance with the provisions of section 111, Revised Codes of North Dakota, I have the honor to submit to you the following report, being the sixth annual report of this department, giving a summary of the receipts and disbursements, on account of the several funds, for the year ending October 31, 1908.

I also give a statement of the balances in the several funds, and a list of the state depositaries where the funds are deposited.

Respectfully submitted,

ALBERT PETERSON,
State Treasurer.

The report of the state treasurer herewith submitted is this day approved.

JOHN BURKE,
Governor.

EXECUTIVE OFFICE,
BISMARCK, N. D., DECEMBER 10, 1908.

AUTHENTICATION

STATE OF NORTH DAKOTA }
Treasurer's Office. }

I, W. A. Falconer, deputy state treasurer within and for the state of North Dakota, do hereby certify that the within and foregoing is a full, true and correct and complete report of the receipts and disbursements of the state treasurer's office for the year beginning October 31, 1907, and ending October 31, 1908.

I also give a true report of the balances in all the funds of the state on October 31, 1908, and a list of the banks where funds are deposited, as shown by the records and files of this office.

W. A. FALCONER.

Subscribed and sworn to before me this 20th day of November, 1908.

[SEAL]

MELVIN G. HAGEN,
Notary Public, North Dakota,
My Commission Expires August 8, 1914.

STATEMENT
OF RECEIPTS AND DISBURSEMENTS.

Cash on hand October 31, 1907.....	\$ 799,310.17
Total receipts	3,259,668.84
Total	<u>\$4,058,979.01</u>
Disbursements	<u>3,476,073.42</u>
Balance on hand October 31, 1908.....	\$ 582,905.59

Hon. Albert Peterson, State Treasurer, Bismarck, N. D.:

SIR: I hereby certify that the cash balance charged the state treasurer as being in his hands at the close of business, October 31, 1908, is five hundred eighty-two thousand, nine hundred five dollars and fifty-nine cents (\$582,905.59), as appears by the records of this department.

Very respectfully,

H. L. HOLMES,
State Auditor.

By CARL JORGENSEN,
Deputy.
